

FADE IN

LUKE SKYWALKER tracks the TRAINING BALL with the LIGHTSABER and his eyes. OBI-WAN KENOBI looks on. The TRAINING BALL pans side to side.

OBI-WAN is sitting on stool with HAN SOLO on a swivel chair behing him on console.

OBI-WAN KENOBI  
Remember a Jedi can feel the force  
flowing through him.

LUKE SKYWALKER  
You mean it controls your actions?

OBI-WAN KENOBI  
Partially. But it also obeys your  
commands.

LUKE continues to track the TRAINING BALL, this time in a wide shot. The TRAINING BALL shoots at him. LUKE attempts to deflect the BLAST, but he misses. The BLAST hits him in the leg and LUKE reacts in pain.

HAN SOLO  
Haha. Hokey religions and ancient  
weapons are no match for a good  
blaster at your side, kid.

LUKE turns off his LIGHTSABER.

LUKE SKYWALKER  
You don't believe in the force, do  
you?

HAN SOLO  
Kid, I've flown from one side of  
this galaxy to the other. I've seen  
a lot of strange stuff, but I've  
never seen anything to make me  
believe there's one all powerful  
force controlling everything.  
There's no mystical energy field  
controls my destiny. It's all a lot  
of simple tricks and nonsense.

OBI-WAN is amused at the smuggler's disbelief. He gets up and grabs a HELMET. He walks over and puts the HELMET on LUKE's head.

OBI-WAN KENOBI  
I suggest you try it again, Luke.  
This time let go your conscious  
self and act on instinct.

LUKE has the HELMET on his head.

LUKE SKYWALKER  
Ha. With the blast shield down, I  
can't even see. How am I supposed  
to fight?

OBI-WAN KENOBI  
Your eyes can deceive you. Don't  
trust them.

LUKE reignites his LIGHTSABER. The TRAINING BALL begins to  
pan again. LUKE tracks it with the LIGHTSABER. The TRACKING  
BALL shoots out another BLAST and hits LUKE in the arm.

OBI-WAN KENOBI (CONT'D)  
Stretch out with your feelings.

LUKE raises the LIGHTSABER. The TRAINING BALL pans side to  
side. He tracks it. The TRAINING BALL shoots three  
consecutive BLASTS and LUKE blocks all three!

OBI-WAN KENOBI (CONT'D)  
You see. You can do it.

LUKE deactivates the LIGHTSABER and removes the HELMET.

HAN SOLO  
I call it luck.

OBI-WAN KENOBI  
In my experience, there's no such  
thing as luck.

HAN SOLO  
Look, good against remotes is one  
thing. Good against the living,  
that's something else.

The console beeps. HAN gets up and walks away. CHEWBACCA  
follows him.

HAN SOLO (CONT'D)  
Looks like we're coming up on  
Alderaan.

OBI-WAN walk up to look. He is proud of him.

LUKE SKYWALKER  
You know. I did feel something. I  
could almost see the remote.

OBI-WAN puts his hand on LUKE's shoulder.

OBI-WAN KENOBI  
That's good. You've taken your  
first step into a larger world.
